Return, Refund, and Warranty Policy

Clear guidance for returns, refunds, damaged items, and product warranty

Purpose: This document is a fictional sample created for an academic Retrieval Augmented Generation project. It is designed to provide clear policy content for PDF chunking, embeddings, FAISS retrieval, and semantic search.

Quick Reference

Topic	Policy Summary
Standard return window	30 calendar days from delivery
Damage reporting	Within 48 hours of delivery
Refund processing	Usually 5 to 7 business days after approval
Electronics warranty	1 year manufacturer warranty unless stated otherwise

1. Return Eligibility

Customers may request a return within 30 calendar days from the delivery date. The item must meet the eligibility conditions below.

Eligible items

• The product is unopened or unused unless it arrived damaged or defective.

• The product is returned with original packaging, accessories, manuals, and proof of purchase.

• The product serial number must match the original sales record for electronics.

Items that cannot be returned

• Personalized products cannot be returned unless they are defective.

• Digital products and downloadable software are not returnable after activation.

• Items marked final sale are not eligible for a standard return.

2. Refund Process

Approved refunds are sent to the original payment method after the returned item is inspected.

Refund timeline

Inspection normally takes 2 to 3 business days after the return reaches the warehouse.

Once approved, card and UPI refunds are usually processed within 5 to 7 business days. Bank processing time may vary.

Shipping charges

Original delivery charges are not refundable for change of mind returns. If the product is damaged, defective, or incorrect, reasonable return shipping costs are covered by the seller.

3. Damaged or Defective Products

Reporting window

Customers should report a damaged or defective product within 48 hours of delivery. Photos of the product and packaging may be requested to speed up verification.

Available resolution

• Replacement with the same product when stock is available.

• Full refund if a replacement is unavailable.

• Technical troubleshooting for electronics when a simple setup issue is suspected.

4. Warranty Policy

Electronic products include a 1 year manufacturer warranty unless the product page states a different warranty period.

Warranty coverage

• Manufacturing defects in materials or workmanship.

• Hardware failures that occur during normal intended use.

• Warranty service requires proof of purchase and the product serial number.

Warranty exclusions

• Accidental damage, liquid damage, misuse, and unauthorized repairs are not covered.

• Normal wear, cosmetic damage, and consumable parts are not covered unless required by law.

5. How to Start a Return or Warranty Request

Return request steps

• Sign in to your account and open the My Orders page.

• Select the relevant order and choose Return or Replace.

• Choose a reason, confirm the pickup address, and submit the request.

• Keep the product packed safely until pickup or drop off.
